

MULTI-TEAM LEADER CERTIFICATION

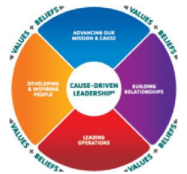

LEARNING PLAN

The Multi-Team Leader Certification process prepares full-time staff to serve as cause-driven leaders while leading multiple projects, processes or teams. It supports staff as they transition or are about to transition into roles such as department director, operations or specialist, associate executive or branch executive director.

To get started, click on the class links below to register and take the required classes and explore the other electives.

Required Certification

Team Leader Level Certification
